

## **Knights of Columbus – Council 4400**

### **Thank You from the St. Clare Festival Committee**

On behalf of the St. Clare Festival Committee at St. Bernadette Church, Campus of St. Pio Parish, we wish to extend our deepest and most heartfelt gratitude to all members of our parish family across our combined three church campuses. Your generosity, spirit of community, and commitment to our shared mission have once again made the 2025 St. Clare Festival a truly memorable and uplifting event.

Through your donations, your volunteer work, your prayers, and your joyful participation, you have not only supported the success of the festival itself, but also strengthened the bonds that unite us as one parish family. The joy and fellowship shared during the festival remind us of the blessings of coming together in faith and celebration.

We also wish to recognize and thank everyone for their overwhelming generosity toward our parish Food Pantry. Your kindness ensures that we can continue to provide for those in need within our community, reflecting the very heart of our mission and the values we hold dear as followers of Christ.

May God bless each of you for your continued support, and may the spirit of unity and service we experienced at the festival inspire us all throughout the coming year.
